

DRIVING INSTRUCTIONS TO BROOKDALE MEMORIAL CITY

If coming East on I-10, exit Bunker Hill, turn left and go under I-10. The first light will be Gaylord, turn right, go almost to the end of the street and turn in at 11900 Gaylord, which is Brookdale. Once in, turn right and go through the gate on the right as it will be open. To get to the theatre room or community room, follow the red line on the map to get there. The gate will be opened at 6:45 and closed at 7:30, so you need to be there before 7:30!

If you use Google Maps to get directions, be sure that you enter 11900 Gaylord Drive, any other name will take you someplace else.

Also, DO NOT ENTER through the Barryknoll Lane entrance. The people in the office probably do not know that we are having a meeting and will be confused. If they figure it out, then you will need to register when you enter and leave, and they will have to open the gate for you. I do not want to bother the people in the office, so please, DO NOT ENTER THROUGH BARRYKNOLL LANE!
